If you wish to have one of these workshops presented in your unit, please notify your unit president. Your unit president will determine whether there is sufficient interest and if so, make arrangements through Provincial OECTA to host a workshop. **Workshops must be booked by December 1 and scheduled to take place before the end of March 2010.**

This opportunity is provided in response to requests from many Occasional Teacher members of OECTA for more professional development opportunities. OECTA obtained special funding for the 2009-2010 school year from the Ontario Ministry of Education to provide these workshops.
